2013 PETITE SIRAH

amador county

WINEMAKERS NOTES:

This sleek, ink dark wine carries ultra-ripe dark fruit flavors and silky rich tannins.

Exotic in many ways, the depth of fruit and lip-smacking acidity makes this an extremely age-worthy wine. A structured red with lots of finesse, it can easily be drank alone or paired with the finest meat dishes.

Drink now through 2025.

Total production of only 250 cases.
